Team Dancing Championships 2023

Age concessions in team competitions

A team in a competition for céilí or figure dancing may include dancers who are under the minimum age limit stipulated for the competition subject to the following conditions which must be strictly adhered to.

22. A teacher may include a number of underage dancers not exceeding 50% of a céilí team or 50% of a figure team without seeking prior permission but must inform An Comhairle or An Coimisiún in respect of Oireachtas Rince na Cruinne 2023, in writing, prior to the Oireachtas and furnish the names of the underage dancers. These dancers may also compete in a team in their own age-group in either a competition for mixed teams or a competition for girls' only teams. Alternatively, they can compete in both mixed teams and girls only teams in a higher age group, but subject to rules 24 and 25 below.

23. A teacher may include more than the 50% underage dancers in a céilí team or 50% in a figure team as stated above provided that: -

(a) The permission of the Council in the case of a Regional and the permission of An Coimisiún in respect of Oireachtas Rince na Cruinne 2024 is obtained and the names and dates of birth of the under-age dancers furnished with the application.

(b) The number of underage dancers does not exceed 75% of the team i.e. 6 in an eight hand, 9 in a twelve hand and 12 in a sixteen hand.

(c) The underage dancers (up to the 75% maximum) may compete in both mixed teams and girls' only teams in the higher age-groups, but subject to rules 3 and 4 below.

(d) Where the number of underage dancers allowed dance in a higher age group exceeds 50% in céilí or 50% in figure, only 50% in céilí or 50% in figure may also compete in teams in the lower age group.

24. None of the above conditions will operate to permit a dancer to compete in a total of more than three céilí championships at any Oireachtas.

25. None of the above conditions will operate to permit a dancer to compete in a total of more than three figure championships at any Oireachtas.

26. The Comhairle & An Coimisiún will only consider applications which fall within the above limits

Rules and Directives for Céilí Championships 2023:

27. Any 8-hand dance from Ár Rincí Céilí 2014.

- **Ceilí Competition 37 & 38 (Faoi 10) Part A**
- **All other Ceilí Competitions Part B**

28. Apart from the variations described below, dances must be performed in accordance with the latest edition of 'Ar Rincí Céilí 2014', unless otherwise indicated in any directives on céilí dances published by An Coimisiún.

29. Movements and figures must be performed in the order specified, and the dancers must move in the manner stipulated. Where neither 'Ar Rincí Céilí 2014' nor the directive specifies how a movement should be performed, the teacher may use his/her discretion with regard to interpretation. Unnecessary embellishments must be avoided.

30. For the purposes of the Oireachtas championship Parts A and B of the stipulated dances (other than The Sweets of May, The Three Tunes, The Gates of Derry and Lannigan's Ball) will be as follows:

Dance	Part A	Part B
Morris Reel	Lead Around, Body & 1st Figure (Tops only)	Lead Around, Body & 2nd Figure (Tops only)

Humours of Bandon	Lead Around, Body, 1st Figure (Tops only), Body	Lead Around, Body, 2nd Figure (Once only) Body

31. For the purposes of the Oireachtas, The Gates of Derry and Lannigan's Ball will be regarded as eight hand dances.

32. In the case of The Three Tunes, teams will perform the dance from the beginning up to and including the Hook and Chain. The Three Tunes will be accepted as either reel or jig time.

33. In the case of The Sweets of May, teams will perform the dance from the beginning up to and including the See Saw.

34. In the case of The Gates of Derry teams will perform the dance from the beginning up to and including the Swing Around of the 1st repeat of the dance.

35. In the case of Lannigan's Ball teams will perform the full dance.

36. Opening Formation: - In the 'set-up' of eight hand dances leading or first tops must be the couple with their backs to the audience and facing the back of the stage.

37. 'Threes': - 'Ordinary Threes' or 'Skip/Hop Threes' may be used in dances in Reel Time. The different threes may not be mixed in the same dance. A team must be consistent e.g. if they start using 'Skip/Hop Threes' they may not change to 'Ordinary Threes' later in the dance. 'Ordinary' or 'Skip/Hop Threes' may be used in The Sweets of 'Sevens': - Where a seven followed by threes is required it must be a seven followed by distinct threes i.e., the seven and threes must not be 'run into each other'. Where a seven followed by threes is required, the threes must not be substituted by movements such as 'Point and Point' etc.

38. Dance or Swing Around Movements: These movements must be performed in an even, continuously, turning manner. A backwards/forwards or zigzag type of movement must be avoided, especially in Trip to the Cottage.

39. A team that fails to perform a dance as stipulated in ‘Ar Rincí Céilí 2014’ or any subsequent directives published by An Coimisiún, in the Céilí Dancing Championship will receive ZERO marks and ZERO points from all adjudicators in that round and **cannot place in a medal winning position.**

40. Movement in Céilí dances are intended to flow naturally. Although number of bars may be specified in “Ár Rince Céilí”, the natural flow and rhythm of the dance takes precedence over the strict compliance with the written breakdown of bars.

41. In all Céilí Championships, teams will be required to provide their desired metronomic speed to the Stage Steward prior to walking on stage. It is the responsibility of the team to ensure that the correct speed has been given.

44. Each team member must be on stage from the commencement of the dance and shall dance continuously for the duration of the dance except where, to emphasise a figure, short pauses for up to 4 bars may be permitted. Pauses for longer than 4 bars by some team members are allowed (as in céilí dancing) if other team members continue to dance.
45. The names of all team members must be submitted with the entry and any later alterations notified to An Comhairle.
46. Teachers are required to submit a written account of their dance, which should not exceed 250 words, Only the stage steward may read the story. Music will not be permitted as the story is being read.

 - (b) All music must comply with the ownership, source, and licensing.

Objections:

58. Any objections, other than those relating to adjudicators' decisions, **must be lodged in writing with a fee of €20.00 and addressed to An Runai** prior to the announcement of the results of the particular competition concerning the objection. The fee will be returned if the objection is upheld.

59. In all solo championships the speeds of the musical accompaniment will be as per An Coimisiun Official speed. (a maximum deviation of ± 1 point will be permitted)

ORDER OF DANCING, CONDUCT , MISHAPS, etc.

60. All competitors should be advised by teachers that should a shoe, heel or toe piece come off whilst dancing, he/she should retire to the rear of the stage and remain there until the other competitors have completed their dance. In the event of this situation arising, these competitors will be permitted to dance again.

61. Where a dancer fails to complete his / her performance in any given round, that dancer is to be given ZERO marks by each adjudicator for that round.

62. Should a dancer fall, slip or bump into another dancer on stage, whether in solos or in teams, the adjudicator MUST ring the bell to stop the performance of the dancer(s). Dancers so affected will be permitted to re-dance and will be marked then at the discretion of each individual adjudicator.

63. Should in the opinion of the stage steward, having obtained medical advice, if necessary, a dancer be unfit to re-dance and if such dancer insists on his/her right to do so then the dancer concerned will only be permitted to re-dance on completion of a declaration form exonerating An Comhairle of liability for any consequences. Any repeat accident / incident which results in that dancer being unable to complete the required number of bars of any round, will result in the dancer withdrawing without question from the championship.

64. If a dancer falls during the last 8 bars of any performance, then he/she would only be required to dance the last 16 bars of that dance again at a time convenient to both dancers and stage stewards.

65. A competitor must not walk off the stage during a performance unless instructed to do so by an adjudicator. A dancer who dismisses themselves from the stage without the permission of an adjudicator will not be marked for that particular dance.

66. If at any stage during a performance on stage an adjudicator feels that due to the health and safety of a performer on stage that the performance should be stopped the adjudicator must ring the bell.

67. In the case of set dances, introductions will be played only once, and a dancer must set his/her music speed during the one playing. No variation of the speed of the music will be permitted once dancing is due to commence. The onus of ensuring that the stage steward is informed of the correct name of set dance and the correct metronomic speed will rest with the dancer. Should a dancer submit an incorrect metronomic speed to the stage steward and commence dancing at that speed, then the dancer must continue to dance at this speed as no further opportunity of tempo change will be afforded. Dancers beginning to dance before or after the stipulated set dance introduction will automatically receive a ZERO for that round from all adjudicators.

68. In all competitions, competitors must commence their dance in the first two rounds from the designated starting points. In the set dance round a competitor may choose his/her starting point.

69. Competitors must:

(a) Obey all instructions of the Oireachtas officials, otherwise permission to compete may be withdrawn

(b) Dance in numerical order as published in the official programme. Commencement numbers for each round of a competition will be printed in the programme.

(c) Check-in before the time scheduled for the commencement of the championship.

(d) Present themselves to the stage stewards in good time to dance in the appropriate numerical order otherwise the stage steward may refuse permission to dance.

70. Should a competitor or their teacher feel that there was a reasonable and convincing reason for being late they may lodge an appeal which will be immediately determined by an ad hoc sub-committee comprised of the stage steward and two other members of An Comhairle, one of whom must be an officer. The decision of the subcommittee on the matter shall be final.

71. An Comhairle will, as far as is practicable provide a stage surface suitable for dancing. However, An Comhairle cannot accept any liability for injuries sustained while on stage. The lodgment of an entry will be deemed to be an acceptance of this provision by a dancer.

Interpretations of the Rules of An Comhairle:

72.

(a) Decisions of An Comhairle as to the interpretation of these Rules and in relation to all other matters pertaining to the Oireachtas shall be final.

(b) The submission of an entry shall be taken to signify that the teachers and their pupils concerned accept all these Rules in full and agree to strictly abide thereby.
